Minutes of Blanding Town Board meeting held Aug 7 1933 at 8:30 P.M. in Town Library room. The following members were present: President H. D. Bayles, and Trustes, Benj. D. Black, Arthur Hurst, Jno D. Rogers and Marvin F. Lyman - None absent. Meeting under direction of President Bayles proceded to consider propasetion of building Tunnel through main ridge of Blue Mountain to divert water from southeast fork of Indian Creek to augment water supply for Town of Blanding and vicinity.

After due deliberation the following resolution was adopted by unanimous vote of board on motion by B D Black seconded by John D. Rogers and carried:

"Whereas there is a scarcity of water at Blanding for irrigation and culinary use, and it is urgent that some new source be developed and the most feasable plan is the construction of a tunnel through the main ridge of The Blue Mountain about eighteen miles north of Blanding in order to get water from the southeast fork of Indian Creek and certain of its tributaries diverted into Johnson Creek to augment the supply there. Also there is great need of promoting a project to furnish

work the needy unemployed of the section in conformity with letter and spirit of laws enacted for National Recovery.

Therefore: Be it Resolved that the Blanding Town Board by its authorized agents do all possible to get the said proposition before the Government officials and use every effort to get the necessary money through the authorized channels for completing this tunnel project."

Hanson D Bayles and M F Lyman were appointed by the Board to go to Salt Lake City, complete the needed data and present the application to Fedral Emergency Administration Authorities. The expenses of trip to be paid by the Town of Blanding.

Darby Bell suggested that the dog tax is too high and that we make the rate as follows: $3.00 for female dogs and 1.00 for males He later moved the board that this be done. Geo Hurst seconded the move and it carried

It was the will of the board in session that anything that could be done to secure and maintain law and order was and is the duty of the Marshall

M G Lyman asked the opinion of the board about renting the rock crusher to gravel the sidewalks He asked to be at liberty to spend $100.00 if necessary to do this. It was decided that the town to furnish the labor using the men from our list of those delinquent on their light & water bills

The move by Joseph B Harris was seconded by George Hurst & carried

Geo A Hurst Jr. reported that he had talked with Mr Richards engineer of Salt Lake city and had been advised that the town of Blanding make application to get P. W. A. Money to install a new Water distributing system only and not include water development Mr Hurst also reported that money was available through a revenue

bond if we thought it feasable
M. E. Lyman asked the opinion
of each member of the board about
whether we should float a revenue
bond in order to put up the
money necessary to get the P.W.A.
money. He also stated that in
his judgement now is the time
because we may not be able
to get P. W. A. money later.
George A. Hurst said he
would like to make application
for the money and get going on all
questions which have to do with
getting the money, with the
understanding that if we discover
later we are unable to go thru
with it we can withdraw our
application.

and determine his attitude towards
the objection filed Darby Redd seconded
the motion and it carried

District Attorney E. H. Feller
came in. After consulting him he
advised that those people get a
petition asking to be made a
part of town and then if the
mill was deemed a public menace
an ordinance could be passed
condemning it. Dr Sherman
said he was opposed to be incorporated
in the town because of the city tax
levy and yet asked the town to
protect his "rights".

Some complaints had been
offered in regard to the service
rendered by the marshall. After
considering the matter Darby Redd
moved we dispense with marshall

The minutes of previous meeting were read and approved

President M. F. Lyman read letter from Attorney F. H. Keller advising we secure a deed signed by the President of the Blanding Irrigation Co and the Clerk thereof as evidence for the P. W. A. that the said Blanding Irrigation Co has no lien on the water rights involved and appointed Trustee Parley Redd and B. Frank Redd to act as a committee to confer with said governing Board of the Blanding Irrigation Co to get the signed deed.

President M. F. Lyman thereupon read proposed Ordinance, a copy of which will appear below; and upon the completion of the reading Trustee B. Frank Redd moved we adopt the Ordinance numbered 264 and Entitled; "An Ordinance Providing For The Acquisition, Construction and Installation of Improvements, Enlargements, Extensions, Replacements, And Repairs of The Water Distributing System of The Town Of Blanding, Utah Authorizing And Providing For The Issuance Of $25,000.00 Waterworks Revenue Bonds Of The Town Of Blanding For the Purpose Of Defraying In Part The Cost Of The Acquisition, Construction And Installation Of Such Improvements, Enlargements, Extensions, Replacements, And Repairs Of The Water Distributing System; Describing The Town And Other Details Of Said Bonds; Providing For The Election

And Disposition Of The Revenues To Be Derived From The Entire Waterworks System Of Said Town, Including Said Water Distributing System; Making Other Provisions With Respect To The Operation Of The Entire Waterworks System Of Said Town And The Issuance Of Said Bonds; And Providing For The Payment Of Said Bonds.

Whereas, by ordinance no. 262, adopted and approved by the Board of Trustees of the Town of Blanding, a municipal corporation of San Juan County, State of Utah, duly organized and existing under the laws of the State of Utah, as required by law, a special election was ordered to be held in said town on the 2nd of September, 1938, for the purpose of submitting to the qualified electors of said town who had paid a property tax therein in the year next preceding said election the following question, to-wit:

"Shall the negotiable coupon revenue bonds of the Town of Blanding, San Juan County, State of Utah, in the sum of Twenty-five Thousand Dollars ($25,000.00), bearing interest at the rate of four per centum (4%) per annum and payable serially within twenty-seven years from the date of their issue, be issued and sold for the purpose of acquiring, constructing and installing improvements, enlargements, extensions, replacements and repairs of the water distributing system, with the necessary rights, situs, laterals, conduits, pipes, right-of-ways, appurtenances and appliances of every nature and description whatsoever, for the purpose of supplying water to the Town of Blanding, San Juan County, State of Utah, and the inhabitants thereof, which said water distributing system shall be owned and controlled by said municipality; said revenue bonds to be paid solely from and to be secured by the pledging of the net revenues of the entire ~~revenue~~ water works system of said Town?"

and

Whereas, said election was duly held and conducted in accordance with the requirements of the Constitution and Laws of the State of Utah on said 2nd day of September, 1938, and returns of the result thereof have been made by the duly appointed and qualified Judges of Election; and

Whereas, The Board of Trustees of said Town of Blanding, sitting as a Board of Canvassers, on Tuesday, the 6th day of September, 1938 canvassed said returns of the Judges of Election, and by resolution declared that 257 votes had been cast in favor of issuing bonds in accordance with said proposition, that no votes had been cast against issuing bonds in accordance with said proposition, and that at said election there was a majority of 257 votes in favor of issuing bonds in accordance with said proposition.

Now, Therefore Be It and It Is Hereby Ordained by the Board of Trustees of the Town of Blanding, San Juan County, State of Utah, as follows:

Section 1. That in order to acquire, construct and install improvements, enlargements, extensions, replacements and repairs

of the water distributing system of the Town of Blanding, with the necessary rights, sites, laterals, conduits, rights-of-way, appurtenances and appliances, there shall be undertaken the following: The replacing of the existing wooden stave pipe with cast iron pipe; a chlorinator; a concrete storage tank; the purchase of rights-of-way; and other work incident to the improving and repairing of the existing waterworks system of the Town of Blanding. The estimated cost thereof is Forty-four Thousand Four Hundred Fifty-four Dollars ($44,454).

X Section 2. That for the purpose of defraying in part the cost of the acquisition, construction and installation of such improvements, enlargements, extensions, replacements, and repairs of the water distributing system of the Town of Blanding, with the necessary rights, sites, laterals, conduits, pipes, rights-of-way, appurtenances and appliances, the Town of Blanding, San Juan County, Utah, does hereby issue Waterworks Revenue Bonds in the aggregate principal amount of Twenty-five Thousand Dollars ($25,000), to be numbered consecutively from one (1) to twenty-five (25), both inclusive, to be payable serially at the rate of One Thousand Dollars ($1,000) in each of years from 1941-1965, both inclusive, each bond to be of the denomination of One Thousand Dollars ($1,000). Said bonds shall be payable in any coin or currency which on the respective dates of payment thereof is legal tender for the payment of public and

private debts, shall bear interest from and after the first day of October, 1938 at the rate of four per centum (4%) per annum, payable semi-annually on the first day of October and the first day of April of each year until maturity, such interest to be evidenced by coupons attached to each bond.

Said revenue bonds shall be paid solely from the net revenue derived from the operation of the entire waterworks system of the Town of Blanding, a municipal corporation, San Juan County, State of Utah. Such net revenue shall be deemed to be the gross revenues of such system, after deducting only for the cost of operating and maintaining the system and the expenses of any betterments or replacements to keep the same in good repair and working order.

Said revenue bonds and the coupons attached thereto shall be payable at the office of the Town Treasurer, in the Town of Blanding, San Juan County, Utah. Said bonds shall be signed by the President of the Board of Trustees of the said Town of Blanding, countersigned by the Town Treasurer and shall have the corporate seal of said town affixed thereto, attested by the Town Clerk of said Town. All coupons attached to said bonds shall bear the fac-simile signatures of said officers of said Town, and as thus authenticated said coupons shall be binding obligations for the interest evidenced thereby.

Said bonds and coupons attached thereto shall be fully negotiable, shall have all the qualities of negotiable paper, and the holders thereof shall enjoy all the rights

enjoyed by the holders of negotiable instruments under the provisions of the Negotiable Instruments Law.

Section 3. That said revenue bonds and coupons attached thereto and each of them, except as to maturity dates, and consecutive numbers, shall be in substantially the following form:

United States of America
State of Utah
County of San Juan
Town of Blanding
Waterworks Revenue Bond

No. — $1,000

Town of Blanding, a municipal corporation of San Juan County, State of Utah, hereby for value received promises to pay, in the manner hereinafter provided, for the bearer hereof, or if this bond be registered to the registered holder thereof, on the 1st day of October, A.D. 19—, the sum of

One Thousand Dollars

($1,000), and to pay the interest thereon at the rate of four percentum (4%) per annum, payable semi-annually on the first day of October and April of each year until maturity upon surrender of the annexed coupons as they severally come due. Both principal and interest of this Bond are payable in any coin or currency, which on the respective dates of payment thereof, is legal tender for the payment of public and private debts, at the office of the Town Treasurer of the Town of Blanding, San Juan County, Utah.

This bond is one of a series of revenue bonds, issued by the Town of Blanding, a municipal corporation of San Juan County, State of Utah, in the aggregate principal amount of Twenty-five Thousand Dollars ($25,000) for the purpose of defraying in part the cost of acquiring, constructing and installing improvements, enlargements, extensions, replacements and repairs of the existing water distributing system of the Town of Blanding, a municipal corporation of San Juan County, Utah, by virtue of a majority vote by the qualified electors of said Town, voting at a special election, as required by Article XIV, Section 3, of the Constitution of the State of Utah, duly and regularly called and held on the 26 day of September, A.D. 1938, and by virtue of Ordinance No. 264 of the Board of Trustees of said Town, duly passed and approved adopted on the 14th day of October, A.D. 1938, and pursuant to the Constitution and Laws of the State of Utah, including Section 15-7-8, Revised Statutes of Utah 1933, and Chapter 22, Laws of Utah, 1933, Second Special Session, as amended by Chapter 74, Laws of Utah, 1935, commonly known as the "Revenue Bond Act of 1933." As required by Section 3 of said Revenue Bond Act of 1933, it is hereby stated that this bond is issued under the provisions thereof, and that it does not constitute an indebtedness of said Town within any State constitutional provision

or statutory limitation.

This bond is payable as to both principal and interest solely from the net revenues of the entire waterworks system of the Town of Blanding, a municipal corporation of San Juan County, State of Utah said net revenues as provided in said Ordinance No. 264 being the gross revenues of such system after deductions only for the cost of operating and maintaining the system and the expense of any betterments and replacements to keep the same in good repair and working order; and as security for such payment said net revenues are pledged by said Ordinance, in an amount sufficient therefor, to the payment of the interest upon and principal of the issue of Bonds of which this is one and to the creation of a Bond and Interest Sinking Fund therefor.

It is hereby covenanted and agreed by the Town of Blanding that it will charge reasonable water rates, adequate to produce revenues from said waterworks system, sufficient to pay operation and maintainance expenses of said system and the interest on and the principal of this Bond as and when the same become due and payable. It is hereby further covenanted and agreed that rates adequate to provide revenues sufficient for such purposes will be maintained at all times, until this Bond, and the coupons thereunto attached, are fully paid and discharged; but that such rates shall not be in excess of a reasonable rate for the services rendered.

This bond is subject to the condition and every holder hereof by accepting the same agrees with the obligor and every subsequent holder that (a) the delivery of this Bond by any transferee, if not registered, or if the last registered transfer be to bearer, shall vest title in this Bond and the interest represented hereby in such transferee to the same extent for all purposes as would the delivery under like circumstances of any negotiable instrument payable to bearer; (b) the obligor and any agent of the obligor may treat the bearer of this Bond, or if it be registered in the name of a holder the registered holder of this Bond, as the absolute owner hereof for all purposes and shall not be affected by any notice to the contrary; (c) the principal of and the interest on this Bond will be paid and this Bond and each of the coupons appertaining hereto are transferable, free from and without regard to equities, set-offs, and cross claims between the obligor and the original or any intermediate holder hereof; (d) the surrender to the obligor or any agent of the obligor of this Bond and of each of the coupons if not registered, or if the last registered transfer be to bearer, or the receipt of the registered holder for the principal hereof and interest hereon, if this Bond be registered in the name of a holders, shall be a good discharge to the ob-

obligor of the same.

It is hereby certified, recited and declared that all acts, conditions and things necessary to be done precedent to the issuance and essential to the validity of this Bond have been done and performed and have happened in regular and due form, and that every requirement of law affecting the issuance hereof has been duly complied with.

In Witness Whereof, Town of Blanding San Juan County, State of Utah has caused this Bond to be signed by the President of its Board of Trustees, countersigned by its Town Treasurer and its corporate seal affixed, attested by its Town Clerk, and has also caused the annexed interest coupons to be authenticated by the facsimile signatures of said officers of said Town, and this Bond to be dated as of the 1st day of October A.D. 1938.

(1) Into a separate account to be known as the "Waterworks System Operation and Maintenance Fund of Town of Blanding" (hereinafter called the "Operation and Maintenance Fund") an amount sufficient to pay all reasonable expenses of operation and maintenance of the system for such month

the moneys in the Operation and Maintenance Fund shall be used only for the payment of the legitimate costs of operation and maintenance of the system and the reasonable expenses of any betterments and replacements to keep the same in good repair and working order.

(2) To establish a separate account to be known as the "Waterworks System Bond and Interest Sinking Fund of Town of Blanding," (herein called the "Bond Fund") the amounts herein required to be paid into the Bond Fund each month. There shall be paid into the Bond Fund, in approximately equal monthly installments, after making the above required payment into the Operation and Maintenance Fund, an amount equal to one hundred (100%) per centum of the amount required to pay the interest and principal payments falling due on or before the next maturity date of any of such bonds, and in addition thereto an amount at least equal to twenty per centum (20%) of said amount such additional payments to be continued until there is in such Bond Fund an amount sufficient to meet the interest and principal payments falling due on or before the next maturity date of such bonds and the interest and principal payments falling due thereon two years thereafter. The purpose of such additional payments into Bond Fund shall be to provide a reserve to meet possible future deficiencies therein. No payment need be made into the Bond Fund if the amount then contained therein is equal to the entire amount that is then or will thereafter become payable on all of said bonds and interest coupons then outstanding. If in any month, for any reason, the Town shall fail to pay into said Bond Fund the full amount above stipulated, then an amount equal to any deficiency in the amount paid into the Bond Fund in such month shall be added to the amount otherwise required to be paid into the Bond Fund in the next succeeding month. The moneys in the Bond Fund shall be used solely for the purpose of paying the interest on and principal of the bonds issued hereunder. The moneys in the Bond Fund shall be deposited in a bank or banks in accordance with the provisions of the State Depository Act. Any surplus moneys remaining in any month in the Income Fund, after the payments have been made into the Operation and Maintenance Fund and into the Bond Fund as herein required, may be used as the Board of Trustees may provide, in conformity with the Laws of the State of Utah.

Section 2. That the bonds herein authorized to be issued shall be executed by the President of the Board of Trustees, Town Clerk,

and Town Treasurer of Town of Blanding, a municipal corporation of San Juan County, State of Utah, in the manner herein provided; and said officers of the Town are hereby authorized and directed to deliver such bonds to any any officer, agency or instrumentality of the United States of America designated to accept the same and to recieve in payment therefor the the principal amount thereof, plus accrued interest to the date of payment, and to do any and all things which may be required by the said United States of America to consummate the sale of such bonds.

The proceeds from the sale of the bonds shall be deposited promptly upon the receipt of such proceeds, in a separate account or accounts in a bank or banks which are members of the Federal Reserve System and of the Federal Deposit Insurance Corporation, and the Town Treasurer is hereby authorized and directed to deposit such proceeds in such bank or banks.

All moneys in such special account or accounts shall be used solely for improving and repairing the existing waterworks system of said Town in accordance with Section 1 hereof, including engineering, legal and other expenses incident thereto, and any unexpended balance there from together with any accrued interest from the balance of such bonds, and such part of any grant as may be

made by the United States of America which it may require as deposited, shall be paid into the aforesaid Bond Fund hereinbefore provided for. Provided that the unexpended balance remaining in such account after the completion of the project, shall be paid into the Bond Fund and shall be used solely for the payment of the interest on and the principal of such bonds, or in the alternative for the acquisition of outstanding bonds of such issue at a price (exclusive of accrued interest) not exceeding the face amount thereof. Any bonds so acquired by purchase shall be cancelled and not reissued. No withdrawal shall be made from such special account or accounts and no payment made from the moneys herein provided to be paid into the Bond Fund, except as provided herein.

Section 6. That it shall be the duty of the Board of Trustees to cause a separate accounting system to be set up and maintained for the waterworks system, the same to be kept by the Town Clerk and such Town Clerk shall keep proper books of records and accounts in which complete and correct entries shall be made of all transactions relating to said system. The Town shall furnish any holder or holders of the bonds, upon written request of such holder or holders not more than thirty days after the close of each six months fiscal

period, complete operating and income statements of the said system in reasonable detail, covering such six months the period, and not more than sixty days after the close of each fiscal year, complete financial statements of the said system and the Town, covering such fiscal year, and certified by the auditors of the Town.

Section 7. Rates for services furnished by such waterworks system shall be reasonable and uniform with respect to class at all times. The Town of Blanding, a municipal corporation of San Juan County, State of Utah, hereby covenants and agrees that such rates will be maintained as will be adequate to provide revenues sufficient for the payment of the interest on and principal of all such revenue bonds as and when the same become due and payable, to create a Bond Fund, as herein before provided, to provide for the payment of the expenses of administration and operation of said system including insurance, and such expenses for the maintenance of the system necessary to preserve the same in good repair and working order, to build up a reserve for depreciation, to build up a reserve for improvements, betterments and extensions other than those necessary to maintain the system in good repair and working order.

None of the facilities afforded by the waterworks system shall be furnished without a reasonable charge being made therefor. In the event that the Town or any department, agency, or instrumentality thereof shall avail itself of the facilities afforded by said system including the use of fire hydrants for fire protection and other purposes the reasonable value of the facilities or services shall be charged against the Town, or such department, agency, or instrumentality, and shall be paid as the charges therefor accrue. The revenue as received shall be deemed to be revenue derived from the operation of the waterworks system and shall be used and accounted for as the same manner as any other revenues derived from the operation of said system.

It is hereby further covenanted and agreed that, if such rates at any time become insufficient for the aforesaid purposes, they shall be revised and fixed in a manner to produce revenues sufficient for such purposes; provided however that the rates shall not be in excess of a reasonable rate for the services rendered.

Section 8. That said Town shall maintain the waterworks system in good condition and shall operate the same in an efficient manner and at a reasonable cost. So long as any of the bonds herein authorized to be issued remain outstanding, said Town will maintain insurance on the system, for the protection of the holders of such bonds, of a kind and in an amount which would usually be carried by pri-

vate companies engaged in the operation and maintenance of a similar system. Such insurance shall not be less in amount than is sufficient to put the system into good operating condition after the happenings of any event against which said system shall be insured. Any proceeds received from such insurance after the happening of any such event shall be immediately used for the purpose of putting the system into good operating condition by repair and replacement of any part, parts, or the whole of such system which may be damaged or destroyed, or, if such proceeds, together with other funds available for the purpose, shall not be sufficient to place the system in good operating condition, such proceeds shall be invested in such obligations as are legal investments for sinking funds of Cities and towns of the State of Utah and the income thereof is hereby pledged to the payment of the principal of and the interest on the bonds herein authorized to be issued. Such proceeds shall be kept invested until such time as funds, which together with such proceeds shall be sufficient to put the system in good operating condition, shall be available for such purpose, at which time said proceeds may be withdrawn from investments and used for such purpose, or until such time as the outstanding principal and interest on all of the bonds herein authorized to be issued, and then outstanding, have been paid.

Section 9. That as long as any of the bonds herein authorized to be issued are outstanding, said Town shall not mortgage, pledge or otherwise encumber the waterworks system or any part thereof and shall not sell, lease, or otherwise dispose any substantial portion of the said system; and said Town shall not issue any obligation for the payment of which the revenue of the waterworks system are pledged unless such pledge is made junior and subordinate to the pledge for the payment of the bonds herein authorized to be issued, and unless the gross revenues derived from said system for the fiscal year then next preceding were sufficient to pay all costs of operation and maintenance, and leave a balance equal to at least 120% of the aggregate of; (a) the amount necessary to pay the interest and principal requirements for such year on the bonds herein issued; (b) the amount necessary to pay the interest and principal requirements for such year on any other bonds or obligations payable in whole or in part from the revenues of said waterworks system; and (c) the amount necessary to pay the interest requirements of one year on the total issue of the bonds then proposed to be issued and a portion of the principal thereof to be determined by dividing the amount of such proposed issue by the number of years to the final maturity date thereof.

Section 10. That any purchaser of twenty-five per centum (25%) in aggregate principal amount of the bonds at the

time then outstanding from the original purchaser thereof, or any holder or holders of twenty-five per centum (25%) of the bonds at any time outstanding shall have the right at all reasonable times to inspect the waterworks system and all records, accounts and data of the Town relating thereto.

Section 11. That the Town Clerk shall make and keep a list of the revenue bonds issued under this ordinance, showing the facts required by law, and shall also keep a Bond Registry in which such bonds shall be registered as to principal only at the option of the holder.

Section 12. That this ordinance shall be and remain irrepealable until the interest on and the principal of said revenue bonds shall have been fully paid, satisfied and discharged as herein provided.

Section 13. That all ordinance, bylaws and regulations or parts thereof, of the Town of Blanding, in conflict with this ordinance are hereby repealed.

Section 14. That it is hereby declared that the sections, clauses, sentences and parts of this ordinance are severable, are not matters of mutual essential inducement, and any of them may be expunded by any court exercising equal jurisdiction on a cause, if this ordinance should otherwise be unconstitutional or ineffective; it is the intention hereof to comply in all respects with the Constitution and Statutes of Utah, and if any one or more sections, clauses, sentences or parts of

this ordinance shall for any reason be questioned in any court, and shall be adjudged unconstitutional or invalid, such judgement shall not effect, impair or invalidate the remaining provisions thereof, but shall be confined in its operation to the specific provision or provisions so held unconstitutional or invalid, and the inapplicability or invalidity of any section, clause, sentence or part of this ordinance in any one or more instances shall not be taken to affect or prejudice in any way its applicability or validity in any other instance.

Section 15. That immediately after its adoption this ordinance shall be signed by the President of the Board of Trustees and the Town Clerk, shall be recorded in a book kept for that purpose, and shall be posted in three public and conspicuous places within said Town of Blanding, there being no newspaper printed or published in said Town.

Section 16. That in the opinion of said Board of Trustees of the Town of Blanding it is necessary to the immediate health and safety of said town that this ordinance shall take effect immediately upon its adoption, approval and posting.

Section 17. Now, Therefore Be It Further Ordained that it is necessary for the immediate preservation of peace, health and safety of said Town of Blanding that the proceeds of these bonds be immediately available for the purpose herein set forth,

that an emergency is hereby declared and that this ordinance shall be in force and take effect immediately upon the day of its passage, approval and posting.
